ABOUT US

786 Apollo foods is a well-established supplier to the catering trade. Our distribution network covers all major areas in Scotland. Our Managerial team has a combined experience of over 50 Years in all sectors of the trade, from Hygiene to Packaging, Retail, catering, Manufacturing, distribution and transport. Our business philosophy is simple: give consumers and businesses what they want, when they want it and where they want it. Our aim is to improving our services to our customers – and put their needs - first.

We specialise in Frozen, cheese, pizza bases, Pitta bread, Dairy products, pizza toppings, burgers, chips, spices, flours, hygiene, and packaging products. In hygiene we do Cleaning Chemicals, Skin care, Laundry, Cleaning Materials, Paper Hygiene, Paper systems, industrial wipes, car valeting and many more. Our Packaging range consists of plastic catering disposables, plastic deli pots, foil containers, plastic and paper carrier bags, Pizza boxes, polystyrene trays, Grease proof paper, Kraft paper and other fast food packaging. The majority of our products are environmentally friendly and bio-degradable. With our large warehousing and distribution, we are able to deliver hundreds of orders within 48 hours throughout Scotland every day! With our competitive pricing, great delivery rates, online customer service and quality products, we are sure you will be happy with the services we have to offer.

Reveal the Power of Frozen...

Frozen vegetables and fruit offer consistently high quality for your plate, without any of the waste associated with fresh produce and the added benefits of considerably reduced preparation and cooking times.

There are other companies out there that can supply you with frozen fruit, vegetables and rice, and other companies that can give you great deals. But at Ardo, our quality products and fantastic prices are all backed by the excellent in-depth knowledge, quality and care that only comes with over fifty years' experience of growing and freezing.

How many companies can offer all that and claim to be continually investing in new innovations to improve their operations - all the way from the field to the fork?

...Vegetables and Fruit from Ardo

Do your spices pass the East End test?

Our buyers search the world for the finest spices, these spices are then re-cleaned and ground in our own UK spice mill, creating spices of exceptional quality, purity, aroma and flavour that our customers adore.

- ✓ Spices are processed and cleaned in the UK
- ✓ Freshly ground at our factory for sealed in freshness
- ✓ 100% pure spice
- ✓ Stored in a controlled environment to preserve freshness and aroma
